What is the TSPG?

An Air Force organization to assist Program Managers and Training System Managers in meeting the training needs of the Air Force; operating under the guidance of AFI 36-2251, Management of Air Force Training Systems, and ASC/CC 3 Jun 2005 Letter, Training Systems Management.

Vision

Provide the world's best training systems to the combat forces of today and tomorrow.

Mission

Lead the development, acquisition and sustainment effort necessary to meet every MAJCOM's simulation and training requirement.
